Quality

IVF Snacking Story 2

I bought Oreo cookies for a cupcake recipe I was making. Even though Oreos are probably the most expensive cookies in the cookie aisle I bought them because I know exactly what to expect as far as taste and quality

Snyders has high quality pretzels that are very tasty. I consider them a treat.

This is my favorite brand since I can remember and the quality has not suffered.

For the longest time I bought store brand cheese sticks until I tried sargento brand cheeses. The quality of the product

Lucerne is a good-quality brand often on sale

because I love the taste and quality and they are cheaper when you buy a big bag at the store versus the small bag you get a subway

My experience with this brand is ALWAYS great. It's always in every store I shop at. They have the best flavors and the best quality every time I purchase this brand.

Quality and value for money spent

Good ice cream w good quality

great quality the taste is always fresh and perfect

First Frito's are a brand that I trust. Unlike other brands I this brand because of quality and taste mostly. No matter where you buy it the flavor is consistent fresh and never too much of the powder mix.

Always on sale and good quality.

We really like Chips Ahoy - the cookies are always fresh of good quality and they come in different varieties.

Wheat Thins have consistently impressed my husband with high quality as well as good taste. They have come out with a variety of different flavors that he loves. My daughter nineteen months old loves them as well and the two of them eat them regularly.

The brand always has a good reputation for making quality yogurt.

Number of Calories

IVF Snacking Story 2

I love trader joes mocha and chocolate yoghurt. There's nothing like it. A container has a reasonable one hundred thirty calories.

Its a very light weight healthy choice that is good for all ages. Kids also likes so it becomes easier to give them such healthy snack. Its low in calories so good for adults also. Good flavours so kids love it.

I like the light yoplait yogurt cause it only one hundred calories. Has varieties of flavors they taste great and it is good for you.

calories

When I buy yogurt I am particularly looking for a low-calorie healthy snack so caloric content is of the highest importance to me.

low in calories less sugar but still delicious and good for your health

Its a good price and its only one hundred calories. It also goes with my diet because i train.

I like to eat sunchips over potato chips since they're much lower in fat and calories. They're always a light snack and much healthier. My favorite flavors are French Onion and the Garden Salsa.yum.

Less calories means less worry on health. I get filled stomach with less calories which is great

I needed a low calorie snack and desired something salty so I picked this up.

Danon Oikos Greek yogurt comes in single servings tastes sweet and it is thick. It has fruit on the bottom but is non-fat and only one hundred thirty calories. It is all of things that I like.

Every time I go into the grocery store Dannon always has the widest array of yogurt products with a large number of flavors. I'll always look at all of the brands because to be honest I don't really care what the brand is and I still always end up buying Dannon because it is the most reasonably priced has the widest selection of flavors I like and has the lowest number of calories and unhealthy ingredients.

Nostalgia & Memories

IVF Snacking Story 2

This is my favorite brand since I can remember and the quality has not suffered.

The flavor is lightly cheezy and the texture is oily and crispy whici is a great combination. They also remind me of being a kid every time I eat them which is nice.

one time i was with my friend walking around the neighborhood. We were in the mood for something sweet. I said is there anything that youcan think of to eat. . He replied Haagen-Daz. . Haagen-what. i remember replying. i was extremely skeptical about eating this ice cream All of those feelings went away when i tried my first taste of haagen-daz. The taste was rich

I remember eating Keebler cookies as a child and it still brings me back to that now. I like that many of their flavors are a less expensive but similar in taste to Girl Scout cookies another childhood memory.

I usually have great experiances with the mars milky way brand. The candy is usually gooey and soft like it should be very rarely do I get a candy bar that is stale. I love the candy because it reminds me of halloween as a kid

When you think cookies i think oreos. They have been around longer than i can remember.

This brand has a lot of memories for me. I used to eat this brand as a snack after school every day and now my own child gets this product as an after school snack.

Fresh Tasting

IVF Snacking Story 2

Doritos is the favorite chips of my family always taste fresh and good

it was fresh tasting with just enough strength to used for dipping into sauce. it had enough salt and satisfied the taste that comp0lemented the sandwich

Chips are usually whole not broken and taste fresh

The chips were very fresh and salty tasting with a satisfying crunch

great quality the taste is always fresh and perfect

Best chips on the market. Best tasting and freshest.

First Frito's are a brand that I trust. Unlike other brands I this brand because of quality and taste mostly. No matter where you buy it the flavor is consistent fresh and never too much of the powder mix.

i love Hershey's product they are always fresh and taste good

Crunch

IVF Snacking Story 2

that it doesn't crumble while dipping it and has a nice crunch to it

i was tasty and very crunchy

The chocolatey taste the crunch in the mouth when you bite it.

The smooth flavoring the bumps of the chip the way it's crunchy but not burnt.

I like the saltiness and the crunch.

The chips were very fresh and salty tasting with a satisfying crunch

crunchy and taste like the real thing

i eat Tostitos because they have a crisp natural taste without being overpowering or too salty i get these chips when i want something salty and crunchy without the oiliness like most potato chips

It satisfies my desire to snack on something crunchy.

because it's crunchy

I love the chocolate it's not over sweet and the middle is whipped instead of hard or crunchy. I purchase three Musketeers every week two of them for me and an elderly lady in my neighborhood we sit on porch and enjoy them as we chat away.

It is Healthy

IVF Snacking Story 2

I purchased for my niece but I had some too. They were reduced fat and were very good. I like it because of the taste and it was a healthy snack.

I like the taste of sun chips it has the flavors that I like. It's not too salty and it tastes more healthy than regular potato chips or something like Doritos that is too salty. It just has a good natural taste to it.

i like to snack healthy. i personally enjoy yogurt products from Yoplait. i purchase them usually at Walmart where i do most of my shopping.

When I buy yogurt I am particularly looking for a low-calorie healthy snack so caloric content is of the highest importance to me.

I like the creamy texture and the sweetness. It is a good healthy way to satisfy my sweet tooth.

I always have good experience with Yoplait. My daughter loves Go gurt. She loves to pick it out at the store and I like that she likes it because its healthy for her.

I like the yogurt a lot. it is tasty and healthy plus my whole family enjoys it too. it a good snack

healthy and taste good.

It is a healthy with a good source of calcium and other nutrients your body need for good fuel. To maintain it self.

since the first time I tried dannon yogurt I enjoyed it very much. It is a very healthy way of snacking and I never get bored of it

it taste so good i think sun chips are very healthy have good taste and have different types of chips

Its a very light weight healthy choice that is good for all ages. Kids also likes so it becomes easier to give them such healthy snack. Its low in calories so good for adults also. Good flavours so kids love it.

these cookies taste great are fulfilling for the size and a very healthy treat snack for someone who is trying to diet and or follow weight watchers

This snack is a somewhat healthy choice which is delightful to taste and satisfies the desire for a cold ice cream treat.

For my daughter to choose gogurt for a snack vs fruit snacks she is going for the healthier alternative. Good source of calcium and vitamins without having to fight her to eat it.

I like to eat sunchips over potato chips since they're much lower in fat and calories. They're always a light snack and much healthier. My favorite flavors are French Onion and the Garden Salsa.yum.

I buy this brand of yougurt for my kids good variety so it's good for them makes me feel like I'm buying them a healthy snack

Creamy

IVF Snacking Story 2

I bought dryers double vanilla Ice cream. it was smooth and creamy delicious just like we enjoy

rich and creamy

makes creamy ice cream

well i open'd it and tasted it lol it was pretty good it's very creamy and thick and i like it like that

it's creamy and it satisfies my sweet tooth

I am not an ice cream eater but I do like it once in a while and the packaging is so smart and you know it can never be tampered with the ice cream itself is creamy and very good

I like the creamy texture and the sweetness. It is a good healthy way to satisfy my sweet tooth.

I like the creamy rich flavor

How it Tastes

IVF Snacking Story 2

Doritos is the favorite chips of my family always taste fresh and good

With doritos it's an experience of enjoyment the crunch the texture of the chip's the feeling of something exciting is about to happen when the flavor hits your taste buds. It's wonderful. It's a snack of importance in an outdoor event or indoors. It brings a sense of gathering to all those whom want to see and eat them. And it doesn't hurt that the flavors are delicious.

The salty taste mixed with cheesy flavor of Naco cheese I don't know I just love it

The flavor is what a good tortilla chip should taste like.

has numerous flavors they all taste good are available in a variety of sizes

they have a good salty flavor that is the ideal taste I expect from a tortilla chip.

Love the taste and has different flavors. Really love the Orange and Strawberry flavors.

I LOVE the dark chocolate flavor and especially like the amount of coconut in each snack size bar.

because it satisfies our taste.

When I first tried Ritz someone else had bought it for me and after I tasted it I fell in love with it. It was salted and had a buttery flavor to it and I don't have to eat it with anything else.

Very Good taste. something I love to snack on at any time

The chocolatey taste the crunch in the mouth when you bite it.

it tastes good

I enjoy the chips. They have a good flavor and are usually the cheapest in the store. Yet they still taste very good.

Just the thought of eating those chocolate chips in the cookies it just tasted so good.

I LIKE TASTE

original Ritz has a little buttery taste. and I tried the veggie kind added a little more flavor to them

My taste buds say so. Other brands are good but they don't compare to this brand.

one time I was with my friend walking around the neighborhood. We were in the mood for something sweet. I said is there anything that you can think of to eat. . He replied Haagen-Daz. . Haagen-what. I remember replying. I was extremely skeptical about eating this ice cream All of those feelings went away when I tried my first taste of haagen-daz. The taste was rich

Every time I go into the grocery store Dannon always has the widest array of yogurt products with a large number of flavors. I'll always look at all of the brands because to be honest I don't really care what the brand is and I still always end up buying Dannon because it is the most reasonably priced has the widest selection of flavors I like and has the lowest number of calories and unhealthy ingredients.

it tastes good just the right amount of flavoring. no overly salty like other chips.

The flavor is not too sweet like most candy bars.

The smooth flavoring the bumps of the chip the way its crunchy but not burnt.

Its a very light weight healthy choice that is good for all ages. Kids also likes so it becomes easier to give them such healthy snack. Its low in calories so good for adults also. Good flavours so kids love it.

They taste good

i have been eating oreos since i was a kid and enjoy them very much due to their consistant taste and when you dunk them in milk they taste even better

The Orange has a nice refreshing taste. The Strawberry has real fruit.

It has the taste I enjoy very much

I LIKE CHEEZ-IT BECAUSE THEY TASTE SO CHEEZY AND THEY HAVE JUST THE RIGHT AMOUT OF SALT

The flavor is bold. it stays in each chip and each chip holds flavor strongly.

crunchy and taste like the real thing

The crackers are comparable in taste to Cheezits but much lower in price.

Most crackers are dry and bland.the salt that is sprinkled doesn't relly help with flavor too much for other brands. But ritz has a sweetish taste to it.

Chocolove is a great substitute for the best chocolate bark I ever had from a wonderful boutique chocolatery in Oregon while on vacation. We were first introduced while flying cross country and I listened to my partner sighing in near ecstasy as he tasted the flavor combination for the first time.

Doritos has some of the original flavors that we have enjoyed for many years and also are always coming up with new flavors for us to try.

Pringles taste great.has an aray of different flavors and its moderately priced

I've purchased this brand for years. It is always good. It now comes in a low fat variety. There are also a variety of flavors. It's high fiber whole wheat which is something I look for.

The combination just gives a great taste.

I bought the BBQ flavor of three hundred sixty five brand chips from Whole Foods. That brand has the best tasting chips in my opinion. The chips are thin flavorful and have the right amount of salt bbq flavor.

it tastes like the regular name brand milk.

It had a good flavor

I most enjoy the Lay's Baked Ruffles Original flavoured chips. They're all natural light and crispy and the ruffles give them great texture. I would welcome a change to sea salt but they're about my second favourite of all the chips.

it is a good price and it tastes good for the money.

The richness of raisins makes it very sweet and the mock rum flavor gives it an interesting tanginess. The combination is interesting.

yogurt tastes like purple

Nothing beats the Vanilla flavor. It's pure ice-cream. We have tried other flavors but it feels like the flavors hide the real taste of the ice-cream.

Turkey Hill has a particular flavor that is similar to one that was in my native country. The flavor is rum raisin although there is no alcohol in it. It's rich in raisins and it's the only flavor my family buys because of its resemblance to a flavor from the past. We only buy it when it's on sale and even though Turkey Hill provides many different flavors we usually opt for just rum raisin with the occasional yogurt vanilla.

I always have a good experience with this brand its consistent in flavor and in price.

i eat tostitos because they have a crisp natural taste without being overpowering or too salty i get these chips when i want something salty and crunchy without the oiliness like most potato chips

I like the light yoplait yogurt cause it only one hundred calories. Has varieties of flavors they taste great and it is good for you.

Makes Me Hungry

IVF Snacking Story 2

I'm having a craving for chocolate but want something that will fill me for a minute and I'm not at home. I go into the local gas station and I'm almost guaranteed to be able to go anywhere in the U.S.A. and find a snickers bar for undr a dollar and a coke a cola to chase it.

As a child during the winter we would make hot chocolate to give us some warmth from the cold. Along with that we would eat Chips Ahoy cookies which gave that extra chocolate boost and crave it stay cold for a long time just to enjoy more days like that.

not much to say. My son is two years old he started eating gram crackers after one so every morning for about a year now he has had his morning gram cracker. I never had any interest but one morning I was feeling a little hungry but was too tired to get something to eat so I grabbed a gram cracker and thought it went perfect with a cup of coffee so now it's sort of a habit.

I was watching TV when i got a craving for something salty and I remembered that we had Cheez-its in the cabinet.

i typically get it at a convenience store when i'm getting gas or just have a craving

I was on the go and didn't have time for lunch so I bought a sickers to hold me until I culd eat later in the day. It tasted great and held off my hunger.

Snickers is the one candy bar my husband likes. I carry one for a snack if I get hungry while shopping. Do'nt want to go shopping when hungry.

I bought this brand because I have always liked it. I was hungry for something with chocolate and carmel and this was the perfect one.

They come in plain corn chip flavor that I like to use for nochos or just with salsa. They also come in a wide variety of flavors to choose from when we just want to eat them straight from the bag or bowl. The stores often carry a wide selection of this brand and they are often on sale. Coupons are also often offered for this brand. They are consistently fresh and crisp.

Variety

IVF Snacking Story 2

It has a very good taste and a nice variety

The unmistakable flavor and the variety of flavors

Never bought this sweet variety

My family and I enjoy the flavors. They are available in low-fat versions that don't take away from the taste. They are easily portable for lunches they can make a great snack. They are all around usable for any time of the day and they can be mixed with a variety of foods to make a snack or a meal.

I like all the varieties they come in. I like to have a choice of size of package and also different types of pretzels

Tostitos is always the brand I go to whenever I'm in the mood for chips and salsa. I have tried all the different varieties of Tostitos chips including the whole grain rounds white grain rounds the scoops the regular chips the lime seasoned chips. This time I tried the jalapeno seasoned chips.

Not sure what you're looking for here. I enjoy eating these chips. I like the variety of choices in this brand.

First Frito's are a brand that I trust. Unlike other brands I this brand becasue of quality and tatse mostly. No matter where you buy it the flavor is consistent fresh and never too much of the powder mix.

always fresh

great quality the taste is always fresh and perfect

Their were crisp and fresh

We really like Chips Ahoy - the cookies are always fresh of good quality and they come in different varieties.

They come in plain corn chip flavor that I like to use for nochos or just with salsa. They also come in a wide variety of flavors to choose from when we just want to eat them straight from the bag or bowl. The stores often carry a wide selection of this brand and they are often on sale. Coupons are also often offered for this brand. They are consistently fresh and crisp.

in terms of texture taste and freshness have consistently exceeded my expectations.

Salty

IVF Snacking Story 2

I love caramel and peanuts its sweet and salty so that fufills both of my wants there every where so i can get one on the go

The salty taste mixed with cheesy flavor of Naco cheese I dont know I just love it

They had a light salty nacho taste not too bold. They are a really good nutritious snack.

i know what to expect with lays chips. consistent. salty. easy to dip.

I like the taste of sun chips it has the flavors that I like. It's not too salty and it tastes more healthy than regular potato chips or something like Doritos that is too salty. It just has a good natural taste to it.

We like to have salty and spicy chips when watching football and I saw

I was watching TV when i got a craving for something salty and I remembered that we had Cheez-its in the cabinet.

THEY ARE SAVORY BY THE SEASONINGS AND FRESHNESS LIKE A SALTY HEAVEN.

they have a good salty flavor that is the ideal taste i expect from a tortilla chip.

Because I wanted someyhinf salty.

I needed a low calorie snack and desired something salty so I picked this up.

very crisp and salty

I appreciate the variety that Tostitos have but seven eleven where I usually go to buy it does not always have the ones I want. My favorite is the whole grain rounds which are good enough that salsa isn't always needed. The scoops are okay. The lime flavored ones are good but I feel like it's too salty towards the end.

Paydays are a quick and easy treat for me and the family. Sweet and salty snack and in a small size for portion control.

Crispy salty

sweatand salty

I like the saltiness and the crunch.

The chips were very fresh and salty tasting with a satisfying crunch

I eat these as a comfort food when I need something salty. I do sometimes go overboard and eat more than intended with them. I usually do not feed them to my kids

i eat tostitos because they have a crisp natural taste without being overpowering or too salty i get these chips when i want something salty and crunchy without the oiliness like most potato chips

Sun chips are not too salty or sweet it has good balance and flavor that I like. Other brands are too salty and not healthy in my opinion.

Hello it's just a potato chip salty I like them every once in awhile. There also good with a sandwich or burger.

I have loved Cheez-It crackers since I was a kid and often get them as a snack on the go whether its at a groery store or a corner store gas station. Love the cheesy salty crispyness and though my favorite is original flavor I love some of the newer flavors as well.

Fat Content

IVF Snacking Story 2

I purchased for my niece but I had some too. They were reduced fat and were very good. I like it because of the taste and it was a healthy snack.

They make my belly full of goodness and fat

it has less fat

i like this product because it has low fat content

My family and I enjoy the flavors. They are available in low-fat versions that don't take away from the taste. They are easily portable for lunches they can make a great snack. They are all around usable for any time of the day and they can be mixed with a variety of foods to make a snack or a meal.

My husband has high cholesterol so fat content is something I look at on the package.

I like to buy yoplait b c all my family loves it. It is like a go to snack at any time of the day. I love that they also have low fat yoplait.

I've purchased this brand for years. It is always good. It now comes in a low fat variety. There are also a variety of flavors. It's high fiber whole wheat which is something I look for.

i always get prigles they have so many different flavors and they are also low in fat. plus you can take them anywhere and almost all stores carry them.

For health purposes I try to buy low fat or fat free items.

i dont like too much fat since im trying to keep my body in shape

I'm trying to keep my intake down but snack between meals to keep my metabolism going to burn fat.

I like to eat sunchips over potato chips since they're much lower in fat and calories. They're always a light snack and much healthier. My favorite flavors are French Onion and the Garden Salsa. yum.

Danon Oikos Greek yogurt comes in single servings tastes sweet and it is thick. It has fruit on the bottom but is non-fat and only one hundred thirty calories. It is all of things that I like.

Good Tasting

IVF Snacking Story 2

With doritos it's an experience of enjoyment the crunch the texture of the chip's the feeling of something exciting is about to happen when the flavor hits your taste buds. It's wonderful. It's a snack of importance in an outdoor event or indoors. It brings a sense of gathering to all those whom want to see and eat them. And it doesn't hurt that the flavors are delicious.

the milk makes the oreo even softer and it sort of melts in your mouth plus the taste of the oreo and milk together is delicious

Snyders has high quality pretzels that are very tasty. I consider them a treat.

Cheetos is my childhood brand. It a yummy and inexpensive.

they have a good salty flavor that is the ideal taste i expect from a tortilla chip.

It was yummy

good tasting ice cream

it tastes good just the right amount of flavoring. no overly salty like other chips.

ranch and cheese flavor is delicious

I love the consistensy of Thick and Cream. It is also incredibly tasty. When I am eating it it feels like I have been rewarded for doing something very good.

My store always has the yoplait the flavors are great and there are a lot of them.

Its a very light weight healthy choice that is good for all ages. Kids also likes so it becomes easier to give them such healthy snack. Its low in calories so good for adults also. Good flavours so kids love it.

tastes good

They taste good

great quality the taste is always fresh and perfect

low in calories less sugar but still delicious and good for your health

I eat Ritz because they taste good I can dip them add cheese and eat them plain

I am not a huge fan of yogurt and have tried many brands. Dannon All Natural had a great taste with no after taste. This is something I feel good about serving to my children and is easy to digest. Dannon offers a variety of products that allow me to have options and they all taste great.

I like the taste of sun chips it has the flavors that I like. It's not too salty and it tastes more healthy than regular potato chips or something like Doritos that is too salty. It just has a good natural taste to it.

Pringles taste great.has an array of different flavors and its moderately priced
it just has a really good taste. Though it makes me not want to stop eating it
The combination just gives a great taste.

these cookies taste great are fulfilling for the size and a very healthy treat snack for someone who is trying to diet and or follow weight watchers

it taste so good i think sun chips are very healthy have good taste and have different types of chips

It had a good flavor

They taste good and they

I was on the go and didn't have time for lunch so I bought a sickers to hold me until I could eat later in the day. It tasted great and held off my hunger.

I just a brand that i like and tastes good with no artificial stuff in it.

when i was in elementary school we were doing a survey in the class and one of the questions was favorite junk food. one girl answered smartfood which i had never heard of before . being the gullible literal person that i am i thought eating it would actually make you smart. in any case i tried some smartfood and thought it was delicious. been eating it ever since

it is a good price and it tastes good for the money.

delicious

they taste good. they satisfy my cravings.

it was fresh tasting with just enough strength to used for dipping into sauce. it had enough salt and satisfied the taste that comp0lemented the sandwich

because it satisfy our taste.

The chips were very fresh and salty tasting with a satisfying crunch

He likes to have a treat when he has finished eating lunch or dinner and I can give him a small bowl with several in it and he is completely satisfied.

This snack is a somewhat healthy choice which is delightful to taste and satisfies the desire for a cold ice cream treat.

It satisfies my desire to snack on something crunchy.

I like the creamy texture and the sweetness. It is a good healthy way to satisfy my sweet tooth.

it's creamy and it satisfies my sweet tooth

As a Kid

IVF Snacking Story 2

Oreos have been loved in my family for a long time. Even when i was a kid we loved to eat oreos. Oreos are a classic cookie that will never go away and will always be loved.

When we were growing up our uncle worked for a delivery company that delivered cookies and snack cakes. Uncle Truman would come over on a Sat. mornings and bring us all kinds of goodies and treats. There were ten of us so he always made sure to bring plenty of snacks with him.

I was often given this brand as a child it kept me content so now I use it for my own comfort

As a child during the winter we would make hot chocolate to give us some warmth from the cold. Along with that we would eat Chips Ahoy cookies which gave that extra chocolate boost and crave it stay cold for a long time just to enjoy more days like that.

The flavor is lightly cheezy and the texture is oily and crispy whici is a great combination. They also remind me of being a kid every time I eat them which is nice.

Cheetos is my childhood brand. It a yummy and inexpensive.

It has been the ice cream I had as a child. I love it it's the traditional additive to a family night.

I remember eating Keebler cookies as a child and it still brings me back to that now. I like that many of their flavors are a less expensive but similar in taste to Girl Scout cookies another childhood memory.

I usually have great experiances with the mars milky way brand. The candy is usually gooey and soft like it should be very rarely do I get a candy bar that is stale. I love the candy because it reminds me of halloween as a kid

Salt

IVF Snacking Story 2

it was fresh tasting with just enough strength to used for dipping into sauce. it had enough salt and satisfied the taste that compOlemented the sandwich

flavor i mean they carry so many different types of flavor like salt and vineger ranch bbq sweet and spicy.

I LIKE CHEEZ-IT BECAUSE THEY TASTE SO CHEEZY AND THEY HAVE JUST THE RIGHT AMOUT OF SALT

I bought the BBQ flavor of three hundred sixty five brand chips from Whole Foods. That brand has the best tasting chips in my opinion. The chips are thin flavorful and have the right amount of salt bbq flavor.

I like the thin chips always crisp and the right amount of salt and bbq flavor.

I most enjoy the Lay's Baked Ruffles Original flavoured chips. They're all natural light and crispy and the ruffles give them great texture. I would welcome a change to sea salt but they're about my second favourite of all the chips.

Most crackers are dry and bland.the salt that is sprinkled doesn't rely help with flavor too much for other brands. But ritz has a sweetish taste to it.

well they have the sea salt and pepper

Packaging

IVF Snacking Story 2

its very handy as far as potato chips go. i like the packaging.

the holiday oreos are my favorite so I went to the store I bought a package.

They are packaged for convience and for single portion snacks.

My husband has high cholesterol so fat content is someting I look at on the package.

I am not an ice cream eater but I do like it once in a while and the packaging is so smart and you know it can never be tampered with the ice cream itself is creamy and very good

its is new brand i just wanted to try came in a nice packaging too

I recently bought a store brand of string cheese for my young Granddaughter. She said she HATED that string cheese. I asked her why she didnt like it and the answer she gave me was that it wasn't in the red package indicating to me that it wasn't Kraft.

How Natural Is It

IVF Snacking Story 2

I like the taste of sun chips it has the flavors that I like. It's not too salty and it tastes more healthy than regular potato chips or something like Doritos that is too salty. It just has a good natural taste to it.

We first tried Kirkland tortilla chips because they were recommended by a salsa retailer. We enjoy their natural flavor.

when breyer's is on sale resonably priced we get it. it's all natural and has richer flavors than cheaper brands like stewart's.

natural taste

i eat tostitos because they have a crisp natural taste without being overpowering or too salty i get these chips when i want something salty and crunchy without the oiliness like most potato chips

we prefer not put artificial stuff in our bodies. if we can get a snack treat like ice cream with natural ingredients we are more inclined to buy it. this because ice cream is not the most health to begin with.

I most enjoy the Lay's Baked Ruffles Original flavoured chips. They're all natural light and crispy and the ruffles give them great texture. I would welcome a change to sea salt but they're about my second favourite of all the chips.

I am not a huge fan of yogurt and have tried many brands. Dannon All Natural had a great taste with no after taste. This is something I feel good about serving to my children and is easy to digest. Dannon offers a variety of products that allow me to have options and they all taste great.

I just like a brand that I like and tastes good with no artificial stuff in it.

I really love the chili cheese fritos and my boyfriend loves the BBQ kind. They are usually on sale every time we go to the store and we walk down the chip aisle specifically for this brand.

The flavor and consistency is better than other brands.

We had a coupon which made us purchase this brand over other brands.

My husband and I are ice-cream snobs - the only brand we purchase is Haagen Dazs in the Vanilla flavor. Because it is fairly expensive we buy it mostly when it goes on sale unless it's for a special occasion in which case we buy it even if it's not on sale.

This brand has always been around since I was a kid and I love it.

I haven't heard any bad things about the Kraft brand. I feel comfortable buying and eating the products produced by the brand.

This is my husbands favorite store-brand pretzels which is a good value for the money.

Kraft is the brand I like I bought their cheese and frozen deserts

Well it is the brand I purchase the most for yogurt. They have a big selection to choose from and always has something good.

I was shopping at Walmart and I did notice that did have a much lower price vs. name brand. Also it did come in a easy plastic container. It also has more than the name brands.

My son LOVES gram crackers and eats them every morning. One time we were on a road trip and my son was cranky so we stopped to buy some gram crackers at a convinent store. We bought a different brand and my son refused to eat them. Since then we have only bought Honey Maid. Just a two weeks ago I started to eat gram crackers in the morning with my coffee. I never had any interest in them before but since they are sitting on the table for my son I just one day had the urge to eat one and have every morning since.

it is the best brand out there and goes great with milk

I always have a good experience with this brand its consistent in flavor and in price.

After work when I am ready for meal cookies are a to have a small sweet treat

Chips ahoy is very good and sweet and chewy that the reason i like it some much.

they tasted so sweet and good

The richness of raisins makes it very sweet and the mock rum flavor gives it an interesting tanginess. The combination is interesting.

Snickes has always been my favorite candy. I was grocery shopping yesterday and saw a bag of mini Snickers for halloween. I decided I was in the mood for something sweet so I bought them.

one time i was with my friend walking around the neighborhood. We were in the mood for something sweet. I said is there anything that you can think of to eat. . He replied Haagen-Daz. . Haagen-what. i remember replying. i was extremely skeptical about eating this ice cream All of those feelings went away when i tried my first taste of haagen-daz. The taste was rich

some times i juts feeling like eating one when i feel like something sweet

it's creamy and it satisfies my sweet tooth

I like the creamy texture and the sweetness. It is a good healthy way to satisfy my sweet tooth.

like the sweet and peanut flavor

i really dont have a story i just like the sweet taste

it just very sweet and delicious

flavor i mean they carry so many different types of flavor like salt and vineger ranch bbq sweet and spicy.

I open the packet and it melts in my mouth. Its chocolately and sweet. I love sugar.

once upon a time there was a survey taker who liked ice cream but was also a direct descendant of ebenezer scrooge.his urge to save money often conflicted with his desire for a cool sweet treat.the one day he found a really cheap ice cream in multiple flavors that didnt conflict with his desire to save money.of course he could never have the princess who would eat only premium brands but he and his savings lived happily ever after.

Paydays are a quick and easy treat for me and the family. Sweet and salty snack and in a small size for portion control.

I love anything thats sweet.

The sweet smell of chocolate. It just wakes up my senses puts a smile on my face and makes my heart happy.

Sun chips are not too salty or sweet it has good balance and flavor that I like. Other brands are too salty and not healthy in my opinion.

Danon Oikos Greek yogurt comes in single servings tastes sweet and it is thick. It has fruit on the bottom but is non-fat and only one hundred thirty calories. It is all of things that I like.

On Sale

IVF Snacking Story 2

I really love the chili cheese fritos and my boyfriend loves the bbq kind. They are usually on sale every time we go to the store and we walk down the chip aisle specifically for this brand.

I like the Jalapeno flavored cheetos and Cub foods had them on sale. Have not had them in a while so i bought them.

when breyer's is on sale resonably priced we get it. it's all natural and has richer flavors than cheaper brands like stewart's.

My husband and I are ice-cream snobs - the only brand we purchase is Haagen Dazs in the Vanilla flavor. Because it is fairly expensive we buy it mostly when it goes on sale unless it's for a special occasion in which case we buy it even if it's not on sale.

I generally purchase only when on sale.

Lucerne is a good-quality brand often on sale

I usually have very little money to spend on groceries so when i know that something i want is on sale it makes my pockets very happy. If this brand of chips is available and on sale it is always our first option.

I've bought it many times when it comes on sale.

Turkey Hill has a particular flavor that is similar to one that was in my native country. The flavor is rum raisin although there is no alcohol in it. It's rich in raisins and it's the only flavor my family buys because of its resemblance to a flavor from the past. We only buy it when it's on sale and even though Turkey Hill provides many different flavors we usually opt for just rum raisin with the occasional yogurt vanilla.

I bought Yoplait greek yogurt on sale with a coupon.

I like both cheeze its and cheeze nips usually purchase whichever is on sale

It was on sale. I like twix so I bought it.

it one of the lower priced item or has frequent sales

When I purchased the snicker I had no intention of eating it right away it was on sale so I bought it just to have on hand when I would feel like consuming. The next day I had'nt eaten anything all day and I realized I had the snicker that would tide me over to dinner it did the job.

Always on sale and good quality.

They come in plain corn chip flavor that I like to use for nochos or just with salsa. They also come in a wide variety of flavors to choose from when we just want to eat them straight from the bag or bowl. The stores often carry a wide selection of this brand and they are often on sale. Coupons are also often offered for this brand. They are consistently fresh and crisp.
